

**LESLIE P. EASTMAN**  
**Eastman Enterprises**

11360 Portobelo Dr. #1  
San Diego, CA 92124-4025  
Phone: 858-268-1519  
E-mail: [leestman@sbcglobal.net](mailto:leestman@sbcglobal.net)

---

**EDUCATION:**

- Wayne State University (Detroit, MI)  
BS Chemistry; BS Geology (1985)  
Graduated with Highest Distinction
  - UC San Diego (La Jolla, CA)  
MS Chemistry (1989)
- 

**EXPERIENCE:**

**EASTMAN ENTERPRISES** (San Diego, CA); Operating sole-proprietorship consulting firm that provides chemical and biological safety and environmental health compliance assistance for a wide variety of industries.

**DISCOVERY PARTNERS INTERNATIONAL/IRORI** (San Diego, CA); Environmental Health and Safety Manager/Technical Information Specialist (1998-2002)

**EHS Manager Activities**

- Supervised Safety Staff at 3 Facilities
- Redeveloped Corporate Safety Program
- Provided Safety Training
- Lead Spill Response Team; Primary Emergency Coordinator
- Controlled Record-keeping for All Environmental Health and Safety Affairs
- Participated in Hazardous Operation Analysis of Equipment
- Prepared Site-Specific Safety Compliance Documents
- Oversaw Preparation of Compound Shipments

**EHS Manger Activities (Continued)**

- Prepared Biennial Reports
- Completed Permitting Applications, per Specific Air District Regulations

**Technical Information Specialist Activities**

- Tested Combinatorial Chemical Equipment
- Conducted Software Testing
- Created and Edited Technical/ Marketing Literature
- Instructed Clients on Equipment Use
- Presented Lectures on New Product Lines

**CHEMICAL SAFETY ASSOCIATES** (San Diego, CA); Director of Technical Services (1989-1998)

- Directed and Supervised Technical Staff
- Provided Consulting Services to Numerous Industries
- Prepared and Conducted Safety-Environmental Lectures, Training Programs
- Wrote and Edited Safety/Environmental Compliance Documents
- Dealt with U.S., Canadian, European, Australian Safety/Environmental Regulatory Compliance
- Conducted Safety Equipment Demonstrations
- Provided Chemical/Biological Release Response and Lab Pack Services

**UC SAN DIEGO**; Research/Teaching Assistant (1985-1989)

- Conducted Experiments In Bio-Organic Chemical And Physical Organic Chemical Theories
- Used Lasers, UV Absorption Spectrophotometer, GCS-Mass Spec
- Provided Instruction in General and Organic Chemistry

**COAT-IT, INC.** (Ferndale, MI); Laboratory Assistant/Quality Control Agent (1984-1985)

- Responsible for Quality Control of PVC-Based Adhesives
- Participated in Product Development Projects

**JOURNALISM EXPERIENCE:**

- San Diego Union-Tribune Staff Writer (1986-1987)

## COMPUTER SKILLS:

- Microsoft Office
- Microsoft Word
- WordPerfect 3.1, 6.1
- PowerPoint
- Excel
- Robohelp
- Corel 8, 9
- Access
- ChemDraw Ultra
- PC and Macintosh

---

## PUBLICATIONS/PRESENTATIONS:

### BOOKS:

- *AccuTag Combinatorial Chemistry System User's Guide* Rev. E, IRORI, 1999 and F, 2001
- *NanoKan Ultra-High Throughput Combinatorial Chemistry System User's Guide* Rev. A, IRORI, 2000
- *OSHA Bloodborne Pathogens Exposure Control Plan*, Lewis Publishers & CRC Press, 1992

### MANUALS:

- Illness and Injury Prevention Plan
- Chemical Hygiene Plan
- DOT Hazardous Materials Training
- Respiratory Standard Written Program
- Emergency Action and Fire Prevention Plan
- Tool Safety Program
- Ergonomics/Office Safety Program
- Hazardous Material Business Plan
- Hazard Communication Written Program

### ARTICLES:

- "Emergency Response to Bloodborne Pathogens", *ACS Chemical Health & Safety*, accepted for publication.
- "Updating the Bloodborne Pathogen Standard Program", *ACS Chemical Health & Safety*, July 1999.
- "Illness and Injury Prevention Program", *California Environmental News*, 1992
- "Reproductive Toxins", *Occupational Hazards*, 1991
- "CO Recombination in Cytochrome C Peroxidase: Effects of the Local Heme Environment in CO Recombination Explored Through Site-Directed Mutagenesis", *Biochemistry*, 1990, M.A. Miler, M. Coletta, J. Mauro, L.D. Putnam (Eastman), J. Kraut, T.G. Traylor
- Variety of health-related articles for the *San Diego Union-Tribune* (e.g., "Failure of Pregnancy Test Kits", "AIDS-Related Suicides")
- Science and News Articles for the *South End* (e.g., "Voyager Trip to Saturn", "Hazardous Waste Dumping Violations", "Genetic Engineering")
- Variety of Local News Stories for the *Ferndale Gazette*

### PRESENTATIONS:

- *Evolution of Combinatorial Chemistry*; ACS Meeting, San Diego, April 2001
- *Emergency Response to Bloodborne Pathogens*, ACS Meeting, San Francisco, March 2000

---

## OTHER INFORMATION:

- Familiar with U.S., Canadian, International Transportation Regulations
- Certified OSHA Hazardous Materials Emergency Responder
- Certified 501 OSHA Instructor
- Certified First Aid Provider
- Fire-Extinguisher Trained
- Certified Trained per DOT Hazardous Materials Requirements
- Member of the American Society of Safety Engineers and Bay Area Environmental Health Group
